

2017 Vermont All State Parade Route and Directions

We are using the same parade route as the Strolling of the Heifers (see map):

- staging and stepping off from parking lots on Flat St.
- turning left onto Main St. where the reviewing stand will be on the right
- ending at the Brattleboro Common (Park Place)
- The total distance is approximately $\frac{3}{4}$ mile.

All bands will remain on the Brattleboro Common until their buses arrive to pick them up. Loading will need to be quick once buses arrive!

A shuttle bus will be provided to bring students staying for the festival back to BUHS. This bus will loop continually from about 7:30 until all students are transported.

Bus information:

For drop-off -

Take exit 2 off I-91 south
